DETAILED ACTION

1. Claims 3-20 stand withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected inventions, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on March 21, 2003.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claim 2 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 2, line 7, the phrase "paper and/or said copolymer or terpolymer" should read --paper and said copolymer and/or terpolymer--, and

Lines 8-9, the phrase "said copolymer and/or terpolymer resin layer further contains; low density polyethylene resins" renders claim indefinite and confusing because as per lines 1-3, "A poly one side ream wrapper consisting of; paper; copolymer and/or terpolymer resin" is a closed language and limited to the recited "copolymer and/or terpolymer resin" only. Therefore limitation "said copolymer and/or terpolymer resin layer further contains; low density polyethylene resins" cannot be understood.

4. Claim 1 is allowed because the invention as claimed in claim 1 is a closed language and is limited to a paper coated on one surface with the recited copolymer

and/or terpolymer. The invention as claimed excludes a paper coated on one surface with recited copolymer and/or terpolymer containing additives such as antioxidant(s), UV light stabilizer(s), processing aid, pigment(s) etc.

5. Applicant's arguments with respect to claims 1-2 have been considered but are moot in view of the new ground(s) of rejection.

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
